

Dear Neighbor,

Professional Pets Florida is your all-inclusive local pet sitting & dog walking company. We will be in the neighborhood for the next couple of weeks. Since my team will already be in the area, we are offering residents \$5 off your first service if you schedule your complimentary meet & greet in the next two weeks. Please call us at **516-880-5558** to schedule!

We would love the opportunity to care for your pets while you're at work or on vacation. We come to you so that your pets are in their favorite place: home!

We offer **overnight** sleepovers, **pop in visits** throughout the day, and recurring **dog walking** services. All of our staff are trained veterinary professionals such as vet techs, vet assistants, and more for peace of mind that your pets are in the best care possible.

Thank you for your time and Consideration.
